Product Description

The Hauler 800X can navigate through tougher terrain with its lifted suspension and rugged tires. The 8.4 cubic-foot cargo bed and 325-lb bed load capacity offer ample hauling possibilities. With the option of maintenance-free ELITE lithium 56.7 V Max. battery powered by Samsung SDI technology (48 VDC) or a fuel-efficient 13.5 hp EFI gas engine, the Hauler 800X is ready for every job site.
