Product Description

Introducing the **2026 E-Z-GO Express 6 Summit XT Elite Lithium** in striking Electric Blue with Premium Gray seat - where comfort meets confident performance.

Design for Comfort. Built for Performance.

The 6 passenger **E-Z-GO Express 6** raises the bar with bold, eye catching headlight upgrade and refined styling. With extended legroom and available enhanced front suspension, it delivers a smooth, spacious ride for every passenger - without sacrificing power or efficiency.

Feature May Include:

Advanced Technology Packages: Enjoy next-level connectivity with an **EcoXGear** touchscreen and **SoundExtreme** by **EcoXGear 28" Elite soundbar** for premium audio on every ride, equipped with an automatic parking brake and available review camera.

Spacious. Stylish. Smart.

The **2026 Express 6 Summit XT ELITE Lithium** is ready to take everyone along for the ride.
